WORK EXPERIENCE

MITRE Corporation, Bedford — *Cyber Security Intern*

JUNE 2019 - PRESENT

My first experience in the field of my choice occurred in the summer of 2019, where I got my first real-world feel for cybersecurity, software development, and a professional work environment. MITRE helped me to pinpoint exactly where I want to guide my career path going forward.

Walpole Youth Soccer Association, Walpole — *Various Positions*

SEPTEMBER 2014 - PRESENT

Throughout my long and ongoing affiliation with the WYSA, I have worked as a referee, referee assignor, referee mentor (volunteer), IT specialist, and web designer. The WYSA is an organization that I have poured my heart and soul into, and the work is extremely rewarding.

Waterville Valley Golf Club, Waterville Valley — *Bag Boy/Caddy*

JUNE 2014 - AUGUST 2017

My first job took place over 4 summers, part time, in which I became one with the small community of Waterville Valley, NH. The relationships that I established with the locals vastly out-valued the minimum wage that I was paid; an experience that opened my eyes to the real world.
